

GrassrootsNetwork

The National Committee of Grandparents for Children’s Right’s Grassroots Network of agencies act as conduits between the national organization and grassroots efforts. As a member of the Network, organizations receive information, training, support, and opportunities to collaborate and seek technical assistance as they work on the front lines to make a difference.

Membership enables local or state-based organizations to participate on a broader scale, nationwide, and ensures that the voices of their constituents are heard in Washington, DC, and in capitols across the United States.

Member Benefits

- > Participation in a national coalition working to improve the lives of children and grandfamilies everywhere
- > Exclusive access to policy discussions, updates, and participation in collaborative efforts (white papers, policy statements, letters and testimony to Congress)
- > Discounted or free webinar and in-person trainings on a variety of topics: legal issues in kinship care and grandparent rights; best practices research presentations on grandparents raising grandchildren; nonprofit development for organizations working with or supporting grandparents (communications, grassroots development, fundraising, grant-writing, program evaluation); and more
- > Discounted or limited pro bono consultant rates for grandparent legal issues support, advocacy training and support, and grassroots development
- > Grandparent referrals from our information and referral warmline and opportunities for constituent grandparents to participate in the grandparent leadership program
- > Exclusive access to our kinship care and grandparenting research library
- > Member listing on our website, highlighted in our newsletter, blog, and on Facebook and Twitter
